# Want to learn about cat nutrition?

I've been studying cat food and AAFCO labeling since 2017. Currently, I'm training to be a Clinical Pet Nutritionist. It's my mission to help you feed your cat better!

Check out my video tutorials to learn more about cat food:

One of the most common questions I get is "what do I feed my cat"?

Here's what I recommend:

- [High protein low carb wet food](#)
